Letter of Thanks ~

Dear Parents, Students, and Staff,

Thank you so much for attending our Chinese New Year Festival! Without your support, none of this would have been possible. The thought of hosting a wonderful night filled with fun and great food served as our motivation throughout this whole process. So thank you for making the time to attend today.

And let's have a round of applause for all the amazing students who poured their heart into tonight's festivities! Go ahead and give them a gentle pat on the back - They deserve it ☺

Thank you once again!
